Dear Friends,

Thank you very much for your meaningful and timely gift of \$1,000 toward aid to the victims of the recent earthquake in Haiti. Your compassionate support means we can send help to the men, women, and children affected by this enormous tragedy.

Our Disaster Response Teams are diligently assessing and responding to the needs throughout Haiti. As we receive more information about the conditions in the region, we will provide more details about Mercy Ships response efforts. Stay tuned to [www.mercyships.org](http://www.mercyships.org) for the latest updates.

Please continue to lift up the suffering people of Haiti in prayer. We will continue to bring hope and healing to them - both now and in the coming months - as we work with them to reconstruct their lives.

Kind regards,

Don
